Jagiroad College: Prospectus: 2021-22

A brief profile of the College

Jagiroad College (the erstwhile Kapili Anchalik Mahavidyalaya) was established on 8th August, 1979. The College is located at Jagiroad in the Morigaon district of Assam, at a distance of nearly one hundred meters from the AH 2. The serene campus, spread over a spacious area of twenty-five bighas of land, is nestled by the picturesque Sonaikuchi Hill. Culturally it lies very close to Na-Khola—the abode of the Prince Regent of the ancient Kingdom of the Tiwas –one of the indigenous tribes of the state endowed with its distinctive traditional heritage. Jagiroad College was established by a group of foresighted and committed social-workers of the region. Shri Mahendra Ahom, the founder Principal played a pivotal role for seventeen years in the development of the College. With his dynamism, the College was able to attract students from the surrounding rural hinterlands who were mostly "first generation" learners belonging to the socio-economically disadvantaged and marginalized communities. Shri Ahom laid the foundation of the academic and infrastructural blue print of the College while inspiring the teachers to promote the cherished values of inclusiveness and equity without losing sight of qualitative parameters. During his tenure both the Arts and Science Streams of the College were brought under the "deficit-grant-in-aid" system of Government of Assam following affiliation of its programmes and courses by the Gauhati University and it became eligible for development grants under sections 2(f) and 12(b) of the UGC Act 1956.In 1997, Sri Ahom left to Nowgong College and on his resignation, Dr. Altafur Rahman has joined the College as the second permanent Principal and served for eight years between 2000 and 2008 and then as the President of the G.B. for five years. During Dr. Rahman's tenure the College was accredited and assessed by the NAAC and career oriented professional programmes like MTM and PGDCA (under Gauhati University), distance education programmes under IGNOU, tie-up with NBIRT for promotion of entrepreneurship were introduced. He also worked towards further expansion of infrastructural facilities like construction of hostels, expansion of library and computer center. During Dr. Rahman's tenure, the College also celebrated its Silver Jubilee in 2005 with enthusiasm and gaiety with active coordination of a large number of its alumni. That same year the College came under the ambit of the Assam College Employees (Provincialisation) Act, 2005. Besides Dr. Rahman, one of the former Vice Principals- Shri Utpalmoni Phukan served as the Principal-in-charge in two phases.

Dr. Bhaben Chandra Neog, the present Principal of the College has joined as the third permanent Principal of the College in January, 2012 and started off his tenure by launching programmes and courses like Bachelor in Commerce (B.Com. with both Major and General Courses). It is under the initiative of Dr. Neog that the college has introduced a few innovative skill and employment - generating programmes with financial support from the University Grants Commission (UGC). These courses are included in two different schemes namely-Community College scheme and Bachelor of Vocation (BVoc) scheme of the UGC. Of these, the Pulp and Paper Technology (PPT) and Fashion Technology were introduced since 2015-16 under the Community College Scheme of UGC. But due to the closure of the Nagaon Paper Mill of HPCL these courses have been discontinued from 2019-20 session.

Under the Bachelor of Vocation (B.Voc.) scheme of UGC, the College has been imparting B.Voc programme in (i) Retail Management (RTM)and (ii) Entertainment-Acting (ACT) since 2015-16 academic session and (iii) Tourism and Hospitality Management (THM) programme from the Academic Session 2018-19. All these have been running as three years Bachelor Degree Programmes under the Gauhati University. Sector Skill Councils like Media and Entertainment Sector Skill Council (MESC), Retailers Association Sector Skill Council (RASCI) and Tourism and Hospitality Management Sector Skill Council (THSC) under the National Skill Development Council (NSDC) evaluated the students studying in these Programmes for their skill components. As a part of skill enhancement and employment centric commitments, the college has signed a number of Memorandums of Understandings (MoUs) with different Industry partners/ Institutions to empower the students in skill and related activities. Regional Govt. Film and Television Institute (RGFTI) located at Kahilipara, Directorate of Tourism, Govt. of Assam extended their support to the students. They have encouraged endeavours in implementing courses to generate skilled human resources for the benefit of society.

During the last nine years, the college have seen many new additions in terms of academic as well as in infrastructural fronts. Apart from regular courses and skill based courses, Distance Education courses have also been introduced for the needy students. Those who could not avail their higher educational need have been availing their dreams realized through the study cum exam centers of IGNOU,KKHSOU and GU-IDOL located in the college. Since the college has puts utmost emphasis upon infrastructural facilities, the process of up-gradation of the classrooms is underway and six numbers of classrooms have already been upgraded with digital smart-boards. A Digital Language Laboratory was added to the Computer department for students seeking development of English language skills. A 50 kw Solar power plant was installed in the college to meet the shortage of power supply for the smooth functioning of the academic and other day-to-day activities. The college has also successfully established its digital library building. Since its early days, Jagiroad College has been in the forefront in promoting inclusiveness and equity, adopting learner-friendly teaching-learning mechanisms, academic exchanges and organizing seminars and conferences.

In the past, the college has successfully organized annual/biennial sessions of NEIHA, NEIGS, ACPC and AACEA apart from having regular calendar of seminars by the IQAC and hosting State and National level seminars/webinars on different topics/subjects. Dr. Subhash Saha, a faculty of the History department, carved a niche for himself as a multifaceted scholar-poet- social activist and was engaged in Post Doctoral research till his untimely demise in 1994. Prof. Moloya Goswami, who has retired from her service, bagged the Best Actress Award of the 37th National Film Awards in 1992 for her stellar role in Jahnu Barua directed movie Firingoti (A Spark). She was also thrice nominated as a member of the prestigious jury for the National Film Awards. Shri Tulshi Kr. Bordoloi, a retired faculty of the History Department and a former President of the Tiwa Mathonlai Tokhra (Tiwa Sahitya Sabha) acts as a key resource person regarding studies in the cultural and literary heritage of the Tiwas. Dr.

Poban Ch. Gogoi and Dr. Khagen Sarma, both retired Associated Professors and Ex Heads of Education and Geography Departments respectively contributed their skills in cultural arena for the benefit of the society. Dr. Gogoi established a Music College just in front of the College and Dr. Sarma established a Satriya Sangeet Vidyalaya and helped spread the Vaishnavite culture for the last twenty five years for the greater cause of the society and common people.

Teachers of the college are also committed and engaged in Major and Minor research projects besides being awarded Ph.D. and M.Phil. degrees from universities of repute and institutes of national importance. A section of the teachers are also actively engaged in local literary, cultural and sports organizations besides offering assistance and consultancy to community based organizations. Sections of the non-teaching staff too are sincere and committed in their services.

With its pleasant and peaceful teaching-learning ambience the college campus is an ideal place to study. The College also has a supportive alumni association, many of whom have successfully shaped and carved out their careers in different fields including, education, health, management, society and research areas. Additionally, the College has excellent infrastructural facilities, a reasonably high rate of gender parity, a wide array of full time academic programmes and courses ranging from Higher Secondary to Master in Tourism Management, also offers excellent support for affordable and broad-based Distance Education under IGNOU, KKHSOU and IDOL of Gauhati University. The College also boasts of a well-stocked and updated library with nearly thirty thousand books, varied schemes of scholarships for learners, seminars and conferences, grievance redressal mechanism, wide range of CCA activities. It is gradually and uniquely poised to scale higher in the contours of Higher Education of Assam. The institution has all along been trying to evolve its own quality-sustenance mechanism in its pursuit to achieve academic excellence. The college has been able to yield B+ grade with 2.71 CGPA in the second cycle of its assessment by NAAC in 2016.The department of Biotechnology, GoI has approved and funded the DBT Star College Scheme grant to this college in 2019-20 through which the college hopes to enhancing science education both theoretically and practically.

Jagiroad College - in India's Best Colleges list:
(As per India Today MDRA survey report for three consecutive years: 2019, 2020, 2021)

Few vital points usually arise while considering National Ranking of an Institution. What is the present status of any stream of a higher education institution (HEI) in comparison to the rest of the similar institutions in the country? How can an HEI justify itself as this or that type of Institute or how one can compare it's status or rank with other similar institutions? NAAC is an autonomous body for assessment and accreditation of HEIs every five years. Apart from NAAC, is there any other national testing agency to annually evaluate or assess any HEI in our country? Although the National Institution Ranking Framework (NIRF) had started the process by working and ranking institutions since 2014-15, parameter wise limited scopes available for stream-wise participation for many institutions. From that perspective, the national survey conducted by the "India Today group" has been conducting Best College Survey Ranking in India (now-a-days known as MDRA-India Today National Best College Ranking Survey) for the last twenty-five years holds a valid reason to participate. Last year they have conducted the survey covering 9 broad aspects in 9 different sections including a special section for covid-19 impact assessments.

Our college has participated in their survey since 2019 with a clear intention to check the National status or National Position/Rank among hundreds of other participating institutions. To our surprise and as per the MDRA-India Today National Best Colleges Ranking survey report, in the year

2019, the college had emerged as one of the best colleges in our country. In that year, Jagiroad College held National Ranks at 112, 112 and 141 for its Arts, Science and Commerce streams respectively. Again in 2020, the three streams of the college secured ranks 127(Arts), 132(Science) and 137(Commerce) in-spite-of Covid-19 pandemic. In 2020 survey report, the Commerce stream had emerged as 3rd College in India having lowest tuition fee. Further, despite the second wave of Covid-19 pandemic in 2021, the college has yet again established itself as one of the best by holding national ranks at 155(Arts), 149(Science) and 158(Commerce). Thus, albeit some ups and downs, the three streams of the college has been maintaining national ranking in that survey ever since its first participation. Thus, the National Ranking to the college that too for three successive years is really a matter of pride for all the fraternity of the college.

"One District One Green Champion" award-2021 to the college

The college proudly announces that under the "Swachhta Action Plan 2020-21" of the Ministry of Education, GoI, this college has been awarded the prestigious "One District One Green Champion" award by the Mahatma Gandhi National Council of Rural Education's recently. In the award list, this college has been enlisted at 24 out of 400 other colleges/Universities/NITs/IITs in India. This announcement greatly encourages the college fraternity towards maintaining clean and green environment with social commitments. Thus, the involvement of the college family in areas other than academic gains momentum and expects to be more vigilant and socially conscious institution.

DBT Star College Scheme Grant
A Scheme for Strengthening UG Science Education

This college has received the Star College Scheme Grant of the Department of Biotechnology (DBT), Government of India in 2019 for three years. Under this scheme, the DBT has sanctioned grants to the following departments, viz. Physics, Chemistry, Computer Science, Mathematics, Botany and Zoology. With the grants from DBT, the College has already established a central Instrumentation facility centre with sophisticated instruments which was inaugurated by Dr. Deepak Majumdar, IAS, Secretary, Higher Education, Govt. of Assam & Mission Director, RUSA, Assam on 4th December, 2020.

This Star College Scheme has been initiated by DBT in 2008 to support colleges and universities offering undergraduate science education in order to improve science teaching across the country. DBT is committed to the value of –i) Pursuit of excellence, ii) Academic and intellectual freedom, iii) Creativity and innovation, iv) Diversity, v) Cooperation and Communication and vi) Accountability. Therefore, DBT has launched this scheme for improving critical thinking and hands on experimental work at undergraduate (college) level in science. It is expected to encourage more students to take up higher education in science. DBT identifies colleges with ambition and potential for excellence and provides academic and physical infrastructures for achieving excellence, exposing students to a wide array of opportunities. Apart from financial support, our college has benefited and continues to benefit tremendously from guidance received during Advisory Committee meetings, mentoring, task force meetings and learning from peers in other colleges.

Objective of the Scheme-

- To strengthen the academic and physical infrastructure for achieving excellence in teaching and training.
- To enhance the quality of learning and teaching process to stimulate original thinking through hands on exposure to experimental work and participation in summer school.
- To promote networking and strengthen ties with neighbouring institutions and other laboratories.
- To conduct specialised training programme for faculty development for optimizing technical capabilities.
- To increase capabilities of core instrumentation resources by procuring new equipments and upgrading existing facilities.
- To provide excess and exposure to students to research laboratories and industries in the country.
- To help in devising standard curricula and standard operating procedures (SOPs) / kits for practicals.

Under this DBT Star College scheme grant, the college has organized several programmes in the past two years such as workshops, popular talks, summer schools in the feeder schools and exposure visits to IITG and Tezpur University and Gauhati University. During the period of current lockdown due to the second wave of Covid-19 pandemic, the College is organising virtual webinar programmes with financial support from the DBT fund. These are- webinar lectures on (i) *"Ecosystem Restoration: prospects and Challenges in India"* by eminent Science Communicator Dr. Arup Kr. Misra, Former Director, ASTEC and Associate Professor of AEC organised on the occasion of World Environment Day, (ii) "*An Introduction to IPR and Issues related to Academic Community*" by Dr. Mayank Pratap from the School of Law, Banaras Hindu University, (iii) "Drosophila as a model for Class room Studies" by S.S. Bhatnagar awardee Professor Dr. S.C Lakhotia from the Department of Zoology, BHU and (iv) "Epigenetic modulators as chemotherapeutic targets" by Dr. Rohini Muthuswami, Assoc. Prof., School of Life Sciences, JNU, New Delhi are some of these initiatives. Apart from those, a twoday workshop on PYTHON and a four-day virtual hands-on training programme on "Statistical Software-SPSS for Data Analysis" etc. were also organised by the departments with the aid of DBT Star College Scheme.

PROGRAMMES AND COURSES

Jagiroad College offers the following categories of HS and UG programmes in regular modes:

Programme Category-I: Higher Secondary (HS) programmes
(Affiliated to AHSEC)

The College offers two year HS programmes in Arts, Science and Commerce streams. The subjects available at this College for HS programme are mentioned below. The curricular framework of the AHSEC is similar to that of the CBSE.

(1) Higher Secondary Arts: (Two years): (Provincialised)

    Subjects: English, MIL#(Assamese, Bengali, Hindi, Bodo), Economics, Education, Geography, History, Mathematics*, Computer Science* (with Mathematics only), Political Science and Environmental Studies.

(2)Higher Secondary Science:(Two years):(Provincialised)

    Subjects: English, MIL#(Assamese, Bengali, Hindi, Bodo), Biology, Chemistry, Mathematics, Physics, Computer Science* and Environmental Studies.

(3) Higher Secondary Commerce: (Two year): (Self financed)

    Subjects: English, MIL#(Assamese, Bengali, Hindi, Bodo), Accountancy, Business Studies, Finance, Mathematics and Environmental Studies.

Few important points:

#Note (i): AHSEC has decided to withdraw the ***Alternative English*** subject from MIL group from the academic session 2021-22. So, all the students who otherwise wish to take Alternative English as MIL must take any other subject available in the MIL group. Further, one must pass in Environmental Studies subject which is compulsory for HS-I only.

Note (ii): All the students of HS First Year (Arts and Science) are to compulsorily undergo a reading and oral skill test (10 marks) in the subject of English- which is in addition to their theory paper (of 90 marks) on the subject. The total of marks in the subject thus is 100. The Oral test is conducted by the concerned department.

Note (iii): Under the guidelines and rules of AHSEC, all HS students (Arts and science) have to take English and MIL/Alt. English as compulsory subjects for first and second years.

Note (iv): Environmental Science is compulsory subject for HS First Year (all streams).

Note (v): From the rest of the subjects, they must compulsorily choose three Elective Subjects. They may also take up a fourth Elective Subject of their choice.

Note (vi): The Annual Examination of HS First Year is conducted by the Examination Committee of the College under the strict guidelines of the AHSEC. The Final Examination is conducted by the AHSEC of which the College is a recognized examination center.

Note vii): *Mathematics subject for Arts stream has been included from the academic session 2020-21.

Note vii): *Computer Science subject for Science and Arts streams has been re-introduced from the academic session 2021-22. For Arts stream students, one can choose Computer Science subject if he/she has chosen Mathematics as one of the subjects.

Programme Category-II: Under Graduate (UG) programmes
(Affiliated to Gauhati University)

The College offers Three Year (six semester) UG programmes leading to bachelor's degree in the following streams. The subjects available at this College for UG programme are mentioned below. All these programmes are being conducted under the rules and regulations of the Gauhati University. From the academic session 2019-20, GU has introduced CBCS at undergraduate level and implemented it for B.A., B.Sc., B.Com. and B.Voc. programmes.

(1) Bachelor of Arts (B.A.): (Provincialised)

(2) Bachelor of Science (B.Sc.): (Provincialised)

(3) Bachelor of Commerce (B.Com.):   (Self-financing)

(4) Bachelor of Vocation (B.Voc.): (Self-financing)

Subjects offered in the TDC (CBCS) programmes are mentioned below. Before going to the programmes offered at this College, one should have some idea about what is CBCS and how the credits are allotted in different types of papers.

In the following pages some glimpse about CBCS and paper wise distributions of credits in different semesters are mentioned as per GU UG-CBCS structure:

A Summary of the GU UG-CBCS (Revised)⌘

15 June, 2019

What is UG-CBCS?

The undergraduate degree (UG) programme in the **Choice Based Credit System** (CBCS) will have courses spread across six-semesters of any undergraduate degree course. Two consecutive (one odd and one even) semesters will make up an academic year. An UG course shall be of Six Semesters covering three Calendar Years (Academic Sessions – June to May). The duration of the **Odd** Semesters (First, Third, and Fifth) shall be **June - November**, and that of **Even** Semesters (Second, Fourth and Sixth) shall be **December - May**.

How does it work?

The courses in GU UG-CBCS are categorised primarily into three types of courses - Core, Elective, and Ability / Skill Enhancement courses. All the core and elective courses will comprise of six (6) credits and the skill courses are of four (4) credits.

Core Course

As the name suggests, a core course is a necessary course that a student MUST take in order to complete the degree. The number of core courses for Honours and Regular degrees are different.

Elective Course

An elective course is the one for which a student has some kind of freedom to choose from a pool of courses. There are two kinds of elective courses - Generic and Discipline Specific. The generic elective courses are those, which can be chosen by a student belonging to any stream, while the discipline specific elective courses are particular to only the discipline concerned. However, a student pursuing an honours degree course can choose a generic elective from any other discipline except from the honours course itself.

Ability / Skill Enhancement Course

An Ability or Skill Enhancement course is aimed at providing the student with skill and ability. These courses have four (4) credits each in contrast to the core or elective courses. The ability enhancement courses MUST be opted by a student and the student can choose papers from a pool of skill enhancement courses.

Dissertation / Project

A student can opt (subject to conditions) a dissertation or a project work in lieu of a 6-credit discipline specific elective course in the sixth semester.

The Notion of Credit

A student needs to earn a required number of **credits** in order to successfully complete a degree. The credit is closely related to the number of stipulated classes a student has to complete. The following table indicates the number of credit a student can earn for each type of indicated classes.

Class	Duration	Credit
1 Theory Class	1 Hour	1
1 Tutorial Class	1 Hour	1
1 Practical Class	2 Hours	1

⌘ *This Summary overrides the respective Sections and Clauses of the GIU UG-CBCS Regulations.*

Papers and Credits

The following table gives you an idea about the number of papers one MUST take in a certain degree course and the total credit it contains.

Degree	Minimum Paper Requirements	Minimum Credits
Undergrad Degree with Honours (All Disciplines)	✦ 14 Core ✦ 2 Ability Enhancement ✦ 2 Skill Enhancement ✦ 4 Discipline Specific Elective ✦ 4 Generic Elective	148
Undergrad Regular Degree (Science)	✦ 12 Core ✦ 2 Ability Enhancement ✦ 4 Skill Enhancement ✦ 6 Discipline Specific Elective	132
Undergrad Regular Degree (Humanities / Social Sci / Commerce)	✦ 12 Core ✦ 2 Ability Enhancement ✦ 4 Skill Enhancement ✦ 4 Discipline Specific Elective ✦ 2 Generic Elective	132
Vocational Degree	✦ 12 Core ✦ 2 Ability Enhancement ✦ 4 Skill Enhancement ✦ 6 Discipline Specific Elective	132

Paper Code Structure†

The code structure of a paper is given below:

$$AAA - TT - XYYC$$

AAA	: **Subject**	: 3-letter subject code (see the suggested table below)
TT	: **Type of Course**	: **HC** (Honours Core)
		RC (Regular Core)
		VC (Vocational Core)
		HG (Generic Elective for Honours)
		RG (Generic Elective for Regular)
		HE (Discipline Specific Elective for Honours)
		RE (Discipline Specific Elective for Regular)
		VE (Vocational Elective)
		SE (Skill Enhancement)
X	: **Semester**	: Numerical digit for Semester. One of **1**, **2**, **3**, **4**, **5**, or **6**
YY	: **Serial No of Paper**	: Two-digit numerical number (within the semester)
C	: **Credits**	: Either **6** or **4**.

ENG-AE-1014	: AECC - English Communication Paper
ASM-AE-1014	: AECC - Assamese / MIL Communication Paper
ENV-AE-2014	: AECC - Environmental Science Paper
ENG-CC-X016	: English Compulsory Paper (X = 1 or 2 depending on semester)
ALT-CC-X016	: Alternative English Compulsory (X = 3 or 4 depending on semester)
ASM-CC-X016	: Assamese / MIL Compulsory (X = 3 or 4 depending on semester)

†Subject to changes and modifications as per CC-CBCS recommendations.

Structure of a Course (Programme Template)

The following tables give you the detailed papers and credits that a student need to take for a certain degree.

Abbreviations

AEC : Ability Enhancement Paper
SEC : Skill Enhancement Paper
DSE : Discipline Specific Paper
GEN : Generic Elective Paper
XXX : Subject 1 (Core / Primary for Honours / Regular)
YYY : Subject 2
ZZZ : Subject 3

The UG programme details are mentioned below:

a) Arts Stream (leading to B.A.):

Honours Core (HC) Subjects: Assamese, Bengali, Economics, Education, English, Geography, History, Political Science.

Honours Generic (HG) Subjects: Assamese, Bengali, Boro, Economics, Education, English, Geography, History, Political Science.

Regular Core (RC) Subjects: Assamese, Bengali, Bodo, Economics/History, Education, Geography, Hindi, Computer Application-Vocational, Political Science.

AECC Subjects: English Communication/MIL Communication (for Sem-I), Env. Science (for Sem-II).

Compulsory Core (CC) subjects (for Regular Arts and Commerce Students only**):** English (for Sem-I and II), Assamese/Alternative English (for Sem-III and IV)

Skill Enhancement Course (SEC) subjects/papers: SEC subjects / papers for Sem-III and Sem-IV are mentioned in a separate page.

Important to Note:

(a) A student enrolled in BA (Honours) programme has to select four papers each in semester-I and II. These four papers are as follows - two papers from one honours (HC) subject, one AECC paper and one Honours Generic (HG) paper from HG subjects. The subject combinations for Sem-I Arts students are as follows:

   (i) Honours Core (HC) two papers (any one subject - to be selected from HC subjects), 6 credits per paper
   (ii) Honours Generic (HG) one paper (to be selected from HG subjects),6 credits per paper
   (iii)AECC one paper (to be selected from AECC subjects), 4 credits per paper.

(b) A student enrolled in BA (non-Honours or Regular) programme has to select four papers each in semester-I and II. These four papers are as follows - one paper from Compulsory Core (CC), two papers from any two Regular Core (RC) subjects and one AECC paper. The subject combinations for Sem-I Arts (Regular) students are as follows:

(i)   Regular Core (RC) two papers (two subjects to be selected from RC subjects), 6 credits per paper

(ii) Compulsory Core (CC) one paper (to be selected from CC subjects),6 credits per paper

(iii)AECC one paper (to be selected from AECC subjects), 4 credits per paper

The above combinations are for semester I and II only. For subject selection in other semesters-visit the website link : *https://syllabus.gauhati.ac.in/ug/courses*.

d) B.Voc. Programme (under CBCS):

UGC sponsored Three Year (6 Semesters) Vocational Degree Programme

This college has started BVoc programmes in three non-conventional subjects under UGC's BVoc scheme. These are (i) Entertainment (Acting) (ACT), (ii) Retail Management (RTM) and (iii) Tourism and Hospitality Management (THM). All these are skill enhancing, job market specific and employment/entrepreneurship centric subjects running in CBCS under GU. The BVoc programme the option of multiple exit and entry system.

A student of the BVoc programme needs to select subjects similar to BSc (Regular) programme. The only difference is that Core papers are from any one of ACT, RTM or THM. AECC and SEC papers/subjects are same as BSc (Regular) programme. The syllabi of the programmes focus on raising employability of graduates and meeting the industry requirements for ready-to-work students through skill development and thereby providing specialization in relevant fields. The structure of BVoc papers/subjects are as follows:

Mode of progression of B.Voc. (in brief):

Sl. No.	Duration	Award	Credits	Intake Capacity		
				Retail Management	Entertainment (Acting)	Tourism and Hospitality Management
1	One Year	Diploma	60	30	30	30
2	Two Year	Advance Diploma	120	30	30	30
3	Three Year	B.Voc. Degree	180	30	30	30

Key highlights of B.Voc.Degree programmes:

1. B.Voc. (under G.U. in regular mode) degree is equivalent to other degrees like B.A., B.Com., B.Sc. etc.

2. After completion, students will be awarded internationally valid certificates from respective Sector Skill Councils (SSC) i.e. RASCI, MESC and THSC along with the Degree from Gauhati University.

3. The Courses have developed under National Skill Development Corporation (NSDC), New Delhi.

4. Course contents of the syllabi containing practical work and have been designed consulting industry experts.

5. Evaluation of the students are done by concerned sector skill council/industry experts/GU.

6. Fully equipped smart class rooms and digital studio with all modern facilities available.

7. Faculties are having industry experiences.

8. Field studies and On the job Training (OJT) at the end of each semester with a view to provide the students industry exposure and to make them employable.

9. Career support is provided through effective industry interaction, career seminar, creative workshop, Group Discussion, Mock interviews etc.

10. Candidates may exit after successful completion of either Diploma or Advanced diploma. They may also rejoin the course at any time for advanced diploma/degree.

SCOPE

Retail industry is the second largest employment generation sector after agriculture whereas Media & Entertainment industry is in the third position. Retail and Media & Entertainment are two of the fastest growing industries in the world. In the North-East India both the sectors are growing as rapidly as anywhere in the world. There is therefore a growing need of skilled personnel and professionals to meet

the demand. Tourism Industries are age old system world-wide with ample scope of employment in other related services.

After successful completion of three year B.Voc., Acting students can work in different sectors relating to Media & Entertainment such as films, T.V, theatre, mobile theatre, radio, advertisements, animation etc. as film, television, theatre actors, radio artistes, Voice over artistes, dubbing artistes, production, etc.

At the end of three year B.Voc., Retail Management students will be able to work in different profiles as Team member, Team leader, Cashier, Ware House executive, MIS executive, Store Manager, Floor Manager, Visual Merchandiser, Asstt. Department Manager, Department Manager, etc.

On successful completion of the B.Voc., Tourism and Hospitality Management students can secure jobs as a Front office Manager, Food and Beverage Manager, Resort Manager, Restaurant Manager, Event Supervisor, Airline/Cruise Consultant, Hotel Operation and Entrepreneur etc.

Eligibility criteria for admission into B.Voc. Programmes:

1. The eligibility for admission is 10+2 or equivalent, in any streams (Arts/Science/Commerce/Vocation) from any recognized board or university.

2. Graduate students of any streams are also eligible for this course.

3. There is no age limit for admissions to the above B.Voc. programme.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The internal quality assurance cell (IQAC) is an internal body of a higher educational institution to maintain a quality culture within the college. This cell acts with a plan of action for performance evaluation, assessment and accreditation and quality up-gradation. According to National Assessment and Accreditation Council (NAAC), Bangalore, it is mandatory, that all high educational institute should have a functional IQAC. Quality enhancement in a college is a continuous process and so, this cell becomes a part of the institution's functioning system and work towards fulfilling the objectives of the institution and achieving the goals. It disseminates its responsibilities through the formations of different cells. With the help of all stakeholders IQAC perform different activities towards teaching-learning and evaluation, skill orientation, career orientation of students. It takes necessary action to expose the students to the modern ICT based knowledge, organizes popular lecture by academicians from advance institutions, lecture for career guidance, skill learning etc. It encourages innovative changes, encourage different training programmes to build up competence, augments learner centric environment for quality education. Moreover, IQAC also organizes workshops, seminars for academic advancement of the faculty members, stimulate the academic environment for promotion of quality of teaching- learning and research in higher education, undertake quality-related research studies and initiate faulty exchange programme. The career guidance and placement cell organizes the career counseling sessions in the campus and taken care of the placement, internship and On-Job Training (OJT) of students. In collaborate with all stakeholders including alumni of the institution, IQAC do work for the quality promotion and sustenance. It adapts a system of continuous documentation to create data base, prepares the Annual Quality Assurance Report (AQAR) of the institution and taken care of its timely submission to NAAC.

Jagiroad College has a functional IQAC with a permanent office room and continuously doing its activities for the all round development of students and institution as a whole.

PRIME DUTY OF NEW COMERS

Teachers and students are the two main stakeholders in the college. Apart from teaching –learning activities in the class room they have to do many other activities in and out of the college for uplifting the rank of the institution. So the roll of students who are going to be a part of this higher educational Institution (HEI) form the current academic session is an important factor to determine the status of the institution within the state and in the National scenario. After the implementation of ranking system among the HEIs all over India, primarily by NAAC (an independent body formed by UGC in 1994) and secondarily by the organisations like NIRF, MDRA, ISO etc., all HEIs have to pay attention on quality of work done. Quality assurance is a continuous process to achieve academic excellence. It is a collective effort. Every stakeholder must develop a dynamic attitude, systematic approach and a competitive mind for this. To perform better in this competition role of student community is very much crucial, because they constitute the largest group among other stakeholders. So, apart from attending the regular classes (75% attendance is mandatory), they must take the benefit of the good library in the college, can participate in NSS, NCC, sports , cultural activity , activities under UBA, Students Science forum, Environment Club, Geographical Society, Commerce forum, Literary forum or other internal forums depending on their interest. College life is the best time to showcase your talents. Jagiroad College always encourages students to expose their talent and welcome any innovative thoughts. IQAC in the college is always with all stakeholders.

So it is my humble request to the newcomers to develop a sense of belongingness to the institution in their mind, feel you be a part of this great institution and come forward to work hand in hand with other stakeholders.

Coordinator: Dr. Utpal Rajguru, Coordinator, IQAC and Assoc. Prof., Dept. of Zoology.

TEACHING-LEARNING AND EVALUATION:

Jagiroad College has imprinted a role for itself through evolution and continuous up-gradation of its teaching-learning standards by setting and developing its own benchmarks. The fairness, transparency and qualitative edge of its teaching-learning ambience have been sustained through the College's endeavour to recruit teachers having sound academic background, good potential and enthusiasm by the College authority since its inception. The quality of its teachers can be gauged from the relatively younger average age of incumbents, diverse socio-economic and cultural backgrounds, wide array of specializations, gender parity, readiness and acceptance of innovative teaching-learning mechanisms, diverse research interests and studies, empathy for students belonging to socio-economically marginalized and disadvantaged communities, promotion of social and cultural harmony, close contact with alumni, community orientation and an urge to accept fresh challenges and transcend boundaries in pedagogic practices and orientations. The NAAC's assessment and accreditation report amply highlighted this cardinal aspect of Jagiroad College. The experience, knowledge and skills of the teaching staff have together erected a foundation for undertaking experiments and sustained application of the best of the "traditional" and indigenous" teaching-learning mechanism and ICT based newer mechanisms. Jagiroad College has been especially successful in constantly building up a reputation for its transparent, unbiased, fair and continuous assessment and evaluation mechanisms. It strictly adheres to all the relevant examination rules and regulations of the Assam Higher Secondary Education Council and Gauhati University. The annual examination of Higher Secondary First Year is conducted strictly in accordance with the rules of the AHSEC. All other annual or end semester examinations are conducted in strict guidance with unbiased procedure and strictly following examination sacredness. Examination evaluation related grievances have been handled carefully in direct consultation with the university examination branch. All students get fair deal here in this college during their tenure of studentship.

RESEARCH

The teaching staff of the College are actively engaged in varied research studies in a wide array of areas of Humanities, Social Sciences, Physical Sciences, Mathematics, Biological Sciences under various departments of studies of Gauhati University, Assam University, NEHU, Dibrugarh University and IITG and number of them have already been awarded M.Phil and Ph.D. degrees. A number of teachers are also actively involved in research activities under UGC, ICSSR and DST grants (both minor and major research projects). The College constituted research committee with its experienced faculties to foster the culture of research in the institution.

STUDENTS'SUPPORT AND PROGRESSION
Career Guidance, Counselling and Placement

The counselling of students' have traditionally been a part of teaching-learning mechanism and practices of the College. Most of the teachers offer and are adept in close and intimate counselling on academic and career related matters especially to students enrolled in Honours/Major Courses and Skill Oriented Programmes. The College has an Information, Career Guidance and Counselling Cell (ICGCC) through which the students have been given guidance at regular intervals. Though the College at present does not have a formal structure of a separate Placement Cell, the ICGCC has in the past organised several Placement Workshops, Interactive Sessions with some farms and agencies of both the state and outside it.

Scholarships and Awards

No. F. 1-15/2009 (ARC) pt III

April, 2014

To,
The All Members of Regulatory Authorities/
The Vice-Chancellors of all Indian Universities/
The Regional Officers of UGC,
(As per list attached)

Subject: Menace of ragging in higher educational institutions.

Sir/Madam,

This is in continuation to this office letter No. 1-15/2009 (Anti Ragging) dated 28.06.2013 & 2.08.2013 on the above subject. It is once again brought to your kind notice that ragging is a criminal offence and UGC has framed Regulations on curbing the menace of ragging in higher educational institutions in order to prohibit, prevent and eliminate the scourge of ragging. These Regulations are mandatory and all institutions are required to take necessary steps for its implementation in toto including the monitoring mechanisms as per provisions in the above Regulations and ensure its strict compliance.

Any violation of UGC regulations as citied above or if any institution fails to take adequate steps to prevent ragging or does not act in accordance with these Regulations, if fails to punish perpetrators of incidents of ragging suitably, UGC shall call for punitive action against institutions.

All institutions are requested to step up anti-ragging mechanism by way of adequate publicity through various mediums, action-packed anti-ragging committee and anti ragging squad, quick-response system, CCTV cameras at vital points, alarm bells, regular interaction and counseling, identification of trouble-triggers, prominence to anti-ragging in the institution's prospectus and information booklets/brochures surprise inspection of hostels, students accommodation. Canteens, rest cum recreational rooms, toilets, bus-stands and any other measure which would augur well in preventing/quelling ragging and any uncalled for behavior/incident. The students and the parent/guardian community may also be made aware of the anti-ragging helpline, anti-ragging website, anti-ragging monitoring agency and all Universities/Colleges/Institutions should take necessary steps for its implementation under intimation to the UGC.

The student/parent ought to know whom to call and approach with alternative contact nos. when in difficulty. All the regulatory bodies and the educational institutions, including the universities funded by the UGC and the private universities, must ensure to UGC that they have a tight anti-ragging system. Students in distress owing to ragging related incidents can access the National Anti-Ragging Helpline 1800-180-5522 (Toll Free) or contact M/s Syrex Infoservices India Pvt. Ltd., J-1, Udyog Nagar, Near DD Motors, Rohtak Road, Peera Garhi, New Delhi-110041. Website: www.antiragging.in and also contact to the Monitoring Agency for the Anti Ragging Helpline Aman Satya Kachroo Trust, 689, Sector-23, Gurgaon, Haryana-122017, Email: infor@amanmovement.org and Mobile No. 09871170303, 09818400116 (only in case of emergency).

All Institutions are requested to ensure strict compliance of anti-ragging measures and intimate the same to Monitoring Agency under intimation to UGC.

Yours faithfully,

(Archana Thakur)
Deputy Secretary
